20th Anniversary

CELEBRATING THE **PAST.**
INVESTING IN THE **FUTURE.**

In 2021, we're celebrating! This year is the 20th anniversary of Hospice Home opening its doors on Homestead Road. Since 2001, we have cared for over 10,000 patients, ranging in age from 5 months to 103 years old. We have provided compassion, comfort and guidance along life's journey not only to our patients, but to their families and friends as well. The result is that thousands of individuals have benefited from the one-of-a-kind experience of Hospice Home.

Hospice Home is a 14-bed hospice inpatient facility that has a much different feel from a hospital or any other healthcare setting. It has family gathering areas set up much like a living room in someone's home, a kitchen, sunroom, chapel-like reflection room and family conference areas as well. In 20 years, just like any other home, our Hospice Home has experienced wear and tear. We are taking the opportunity to celebrate the anniversary of this community gem and raise funding to renovate and restore the building so we can continue for the next 20 years and beyond.

20th Anniversary

CELEBRATING THE **PAST**.
INVESTING IN THE **FUTURE**.

With YOUR help, we can give Hospice Home a much-needed hug through this renovation and replacement project. Our goal is to raise \$750,000 to cover the expenses related to the project and to invest in a fund to assist with future capital needs at Hospice Home.

We would love an opportunity to meet with you, or speak with you over the phone, and learn how Hospice Home comforted your loved one and supported you. At that time, we can provide you with additional details on the Hospice Home campaign and also discuss naming opportunities to honor and remember your loved one.
